

We are very excited to be able to offer this fantastic resource to help our pupils become independent learners both at home and school. It will help them build up a wealth of knowledge and will support their learning in the classroom.

Just by clicking the images (left) and signing in, you will have FREE access to:

- Over 900 interactive curriculum textbooks that link closely to our school curriculum including English, History, Geography, Science, RE and Early Years.
- Open on any device at home or school, books are colour banded and levelled.
- Complimented by 1500 videos
- Safe internal search engine
- Interactive globe
- Calendar
- Video museum
- Puzzles and quizzes
