Friday 26th February 2021

Dear Parents/Carers,

We are absolutely delighted with the news that we can welcome back all pupils from Monday 8th March 2021. We have missed seeing all the children and look forward to seeing everyone again for face to face learning.

Health and safety for all will remain as our number one priority upon our return and many of the protective measures we had in place in the half term leading up to Christmas will once again be in place from Monday 8th March. We are currently reviewing and updating our risk assessment which will be available for you to view on our website at the end of next week in the policies section. All measures are reviewed regularly and as we understand more about the impact of having all children back in school we will review and adapt the measures in place accordingly.

Our full re-opening plans will be shared with you next week. The staggered start and finish times for each year group that have been in place since September **will remain the same** along with the entrance gates for different year groups to use.

We know that each family has been through different experiences during this lockdown and to help us understand any changes, challenges and information about this time for your family we will be sending out an online survey early next week via email so you can inform your child's class teacher of any important information you wish to share before your child starts back on Monday 8th March.

Our focus for the first week back will be to welcome, settle and re-establish routines and structures for all children. We will then start to informally assess next steps in learning for each child in order to understand areas of focus for the coming weeks.

We look forward to welcoming all children back on Monday 8th March and all staff are really looking forward to seeing all the children again in person.

Kind regards

Rachel Kiziak
