End of the day collection arrangements for Year 3 and 4 only

We have reviewed the end of the day collection arrangements for the children in Year 3 and 4 to try and ease the congestion at various doors and in the playground.

Starting from Monday 9th September

Year 3

Blossom class and **Horse Chestnut** class will continue to use the exits in the Year 3 area.

Willow class will now use the exit that comes from the library door onto the North playground. Please wait near this exit on the North playground and the adult will dismiss the children from this exit individually to you.

Year 4

Eagles and **Ospreys** will continue to come out the the door that is directly on the North playground.

Red Kites will now exit via the door next to their classroom that leads onto the South playground rather than the library door that they have been currently using. Please meet your child on the South playground from the exit door that is directly next to their classroom.

This will help the end of the day to be less congested around exits.

This is for the end of the day only. The entrances will remain the same.

Many thanks for your co-operation with this. If you are unsure of where your child will be coming out from, please just ask a member of staff who will be happy to direct you.
