## About HHH

Havelock Helping Hands are a group of parents and teachers who help raise money for both the Infant and Junior Schools by organising fundraising events throughout the year. Events include school discos, cake sales, summer fetes, Christmas fairs and a ladies fashion show. HHH provide £250 per year group to buy equipment and help fund trips and all profits from the events we run go back to helping both schools provide better facilities or opportunities for the children. This year we're in the process of extending and building an exciting outdoor learning provision that will be used by all children across both schools.

We always welcome new members to join our PTA – even if you can only support one event a year that would be a huge help to us and the school. We're also always on the lookout for new ideas for fundraising, so if you have a great idea or want to get involved, please contact the school office; or call me on 07545084327.

Our next meeting is 6<sup>th</sup> February at 7pm – please come along for a chat and a cuppa!
