

Dear Parents/Carers,

Egyptian Day KS2 – 2nd December 2020

Egyptian Day is a wonderful way to bring the curriculum alive in a creative way. It allows the children to explore and deepen their understanding of the Egyptian civilisation further. Not only this, topic days are always a special day that children and adults alike look forward to. With that, dressing up is more than welcome if you so wish but please do not feel the need to go to any great lengths to make this happen (a sheet and belt would be more than sufficient).

This year we are unfortunately unable to welcome specialist visitors into school to host and deliver our Egyptian experience day. To ensure children have the best day possible, we have planned the following Egyptian-inspired activities:

Pyramid Gift Boxes	Scarab Beetle Making	Canopic Jar Making
		

With everything, we have to make sure our learning is facilitated in a COVID-secure manner. This means each class teacher and teaching assistant will deliver the Egyptian-inspired activities of the day within their classrooms; nevertheless, we have worked hard to ensure every child in Year 5 has the same experience and fun.

Thank you for your support with your child's learning so far since returning back to school. The children have a great deal to be proud of and have risen to the expectations – a day like this for them is truly well-deserved.

Kind regards,

Mr Tierney Miss Womack Mr Molloy

Mrs Ginns Mrs Pike Mrs Overman Miss Huntley Miss Archer Mrs Draycott
